William Gary Davis

Lexington, KY

Gary Davis is a CPA and since 2004 has owned and operated a consulting practice specializing in workers' compensation and related issues. Clients include self-insured group funds, state regulatory agencies, guaranty funds, and professional associations.

Formerly a Director with the Kentucky Department of Workers' Claims from 1997 to 2004, he was responsible for areas involving self-insurance, enforcement, coverage and compliance, and represented the agency before the state legislature. From 1992 to 1997 Mr. Davis was associated with the KY Workers' Compensation Funding Commission, a state agency responsible for controlling, investing, and managing funds collected from employers throughout the Commonwealth for the benefit of injured workers, and served as its Executive Director from 1995 to 1997.

Mr. Davis is a founding member and current President of Kids' Chance of Kentucky, the Secretary / Treasurer for the Southern Association of Workers' Compensation Administrators, and the Executive Director for the Self-Insurance Guaranty Funds of America.
