

## **Frank Lasee**

Frank Lasee was appointed Administrator of the Wisconsin Department of Workforce Development's (DWD) Division of Workers Compensation in January 2018. Prior to his appointment, Mr. Lasee held legislative seats in the Wisconsin State Senate and Assembly, serving on multiple committees, including as Chair of the Senate Committee on Housing, Insurance and Trade. During his legislative tenure, Mr. Lasee supported a variety of common-sense reforms to make government operate more effectively and with greater accountability. Mr. Lasee's private-sector experience includes management with American Medical Security, a Green Bay, Wisconsin-based health insurance company that is now part of UnitedHealth Group. Mr. Lasee also holds a real estate broker's license and has helped many clients purchase and sell properties. He also previously held an insurance license.
