Sherri George

Mrs. George is Senior Manager of Worker's Compensation for SkyWest INC. SkyWest INC is the holding company for both SkyWest Airlines and ExpressJet Airlines. Sherri provides oversight of both programs. In her current role, she utilizes over 27 years of experience as a nurse to advance the injured employees along the healthcare continuum, down the road to recovery. She has specialty expertise in management of vendor partnerships allowing for cost savings opportunities in multiple areas including utilization review, case management, bill review, pharmaceutical and other ancillary services.

Sherri has over 27 years of experience as a hands on clinician, telephonic case manager and most recently employee health management via worker's compensation programs. She has been with SkyWest since 2015.

Prior to SkyWest, Sherri worked for a large telephonic case management company and spent time on several national accounts as a Certified Case Manager. She began her career as a clinician and spent 14 years working numerous specialty areas throughout the hospital with the majority of the time spent in Endoscopy, Orthopedics and the Emergency Room.

Sherri is a Registered Nurse with a Bachelor of Science degree and also obtained her Case Management Certification during her time as a telephonic case manager and has maintained that certification in her present role.
