Bob Wilson
WorkersCompensation.com
Sarasota, FL

Bob Wilson is the founder and president of WorkersCompensation.com, a provider of Internet-based data and tools for workers' compensation professionals, business owners, and more. Bob is an award-winning blogger and nationally recognized speaker on the topic of workers' compensation. He has been an industry icon, and led the efforts in 2016 to develop a national conversation regarding workers' compensation and its many challenges. The Conversation convened independently as well as at the Workers' Compensation Institute and the National Workers' Compensation Conference.
